(Please read, sign and return the next page as well)

The Truckee Donner Horsemen Association (TDHA) holds monthly meetings, typically on the third Tuesday of each month. The meetings are located in the back conference room at the TTCF office, located at 11071 Donner Pass Road. All are welcome and encouraged to attend these meetings to share ideas and help to implement new, exciting and diversified opportunities in the horse community. Park in the back and come in the back door. We would love to have you join us!!

TDHA presents two or three **Horse Shows** during the Summer and Fall season where both adult and junior participants are welcomed and encouraged to participate! These are schooling shows which allow for great opportunities to learn as we participate.

TDHA schedules **Trail Rides** - Anyone interested can join in these great family adventures that provide an opportunity to go out on horseback to see some of the amazing terrain our Mountain Community has to offer. We are currently considering additional events to involve all people within the horse community such as Horsemanship Clinics, Vaccination/Teeth Floating Clinics, Steer Roping, Cutting and Ranch events (and any other suggestions that are presented).

The Truckee Donner Horsemen Junior Association (TDHJA) holds their meetings at the same time and location and use this time to consider and implement new ideas for their members. One of their main fundraisers is the **Rodeo Dance** held on Saturday Night after the Truckee Pro Rodeo (August 25th, 2018 this year). In addition, the members are joining forces to implement some field trips and playdates for all members to enjoy. It is not necessary to own a horse or to participate in Drill Team to be a member of the Junior Association. All that is needed is a love for the equine world and all that it has to offer. Support and membership of the Junior's family members is encouraged!

TDHJA Drill Team is one of the events in which Junior members who have access to a horse can participate. Practice generally begins in the Spring as weather permits. This is a Team Sport, where dedication and commitment to the Team and their practice schedule is required. They meet once or twice a week for practice at the McIver Arena to hone their skills and practice their new drill which they will present during the Truckee Rodeo (August 25th and 26th this year).

Truckee Donner Horsemen Association is a non-profit organization that cannot function without members volunteering to help support the efforts of the club! Volunteers run all aspects of the club and the club relies on the support of ALL members in order to function. Please volunteer in one of the many opportunities that will be available.

I hereby apply for membership in the Truckee Donner Horsemen's Association. If elected to membership, I agree to abide by the By-Laws of the Association and to pay the regular yearly dues, to work for the good of the horse and the horsemen in this area and throughout the state.
